Membership of ACT

There will be two types of membership.

- 1) Life Member : Rs. 1,500/-
- 2) Institutional Member : Rs. 15,000/- (one time payment)

The membership will be effective from 1st April, The Executive Council shall fix the membership fees from time to time.

Eligibility:

Any person who is or has been a teacher of Chemistry or an associated subject or who has interest in the advancement of Chemistry will be eligible to become a member of ACT.

Any institution may join ACT by offering support to the activities of ACT.

The image shows a membership application form for the Association of Chemists and Technicians (ACT). The form is in Hindi and contains various fields for personal and institutional details. At the top left, there is a logo of ACT. The form includes sections for personal information (name, address, contact details) and institutional information (name of institution, address, contact details). There are checkboxes and lines for text entry throughout the document.
