

I U P A C

ASSOCIATION OF CHEMISTRY TEACHERS

## IUPAC Global Women's Breakfast # GWB-2024

Theme

“Catalyzing Diversity in Science”

Association of Chemistry Teachers

Promotes

#GWB 2024 in India

Prof. Brijesh Pare  
President, ACT

Prof. DV Prabhu  
Gen Secretary, ACT

Prof. Javier Garcia Martinez  
IUPAC President

Dr. Bipul Saha  
IUPAC Bureau Member

Dr. Vijendra Singh  
National Coordinator  
#GWB2024

Mailing Address of ACT: Homi Bhabha Centre  
for Science Education (TIFR) Mumbai

## International Union of Pure and Applied Chemistry (IUPAC)

The International Union Pure and Applied Chemistry (IUPAC) is the world authority on chemical nomenclature and terminology, including the naming of new elements in the periodic table: on standardized methods for measurement, and on atomic weights, and many other critically-evaluated data.

A neutral and objective scientific organization, IUPAC was established in 1919 by academic and industrial chemists who shared a common goal-to unite a fragmented, global chemistry community for the advancement of the chemical sciences via collaboration and the free exchange of scientific information.

## Global Women's Breakfast # GWB-2024

GWB was started from 2019 onwards by IUPAC. The main aim of the GWB is to demonstrate the need to build a network of both women and men working together to address the barriers and inequalities faced by women in science. IUPAC is in a unique position to serve as a leading organization and global platform where these difficult and persistent issues can be addressed in a transparent manner.

## Association of Chemistry Teachers INDIA

The Association of Chemistry Teachers was launched in 2000 to serve as an apex national body of chemistry educators to promote excellence in chemistry education. The idea of formulating ACT was conceptualized by Homi Bhabha Centre for Science Education (TIFR) Mumbai. The Association bring together on a common platform higher secondary school teachers, college and university lecturers, professors, scientists, and researchers from the industry for organizing subject-related activities, Since its inception, ACT has worked tirelessly to strengthen chemistry education in India and to motivate students to pursue chemistry as a career.

**Join us on February 27, 2024 for the IUPAC Global Women's Breakfast (#GWB2024). Held in conjunction with the U.N. Day of Women and girls in Science. The theme of #GWB2024 is**

***“Catalyzing Diversity in Science”***

**For any query contact to Dr. Vijendra Singh, National Coordinator of GWB 2024 for India. Department of Chemistry, ISR, IPS Academy, Indore, INDIA, Mob: 8602567928**

**Event Date : 27 February 2024**

**Event Type Seminar**

**Venue : Worldwide events: Virtually or in person**

**Website : <https://iupac.org/gwb/>**

**ASSOCIATION OF CHEMISTRY TEACHERS**
